

You are invited to participate in a research study! AI for Spanish-Speaking Patients

We are conducting a research study to understand the experiences and concerns of Spanish-speaking patients in healthcare, and if/how AI can support them.

We are seeking participants who can **share their experiences working with Spanish-speaking patients**, including (but not limited to) **patient advocates, interpreters, and clinicians**.

This study is approved by [affiliation]. Data is only for research purposes and will be confidential.

Eligibility:

- At least 18 years of age
- Able to participate in an interview in English
- Have experience working with Spanish-speaking patients
